

## CARE & MAINTENANCE : FACT SHEET

### Aluminum

---

Aluminum is a popular material for outdoor furniture due to its versatile properties.

To increase the longevity of your furniture, wash regularly with a non-abrasive mild soap and water. Rinse thoroughly and allow to air dry. This will remove dirt, body oils, chemicals and other substances. Repeat if necessary.

\*Note: Always use caution when opening boxes and removing the protective materials. Avoid using anything sharp as to not damage the products.
